Staff shall follow the procedures outlined in Figure 1. Safety Concern Referrals in Abu Dhabi Educational Institutions and the guide on Handling Student Maltreatment Concerns within Educational Institutions (ECA, 2024).

2.2 All concerns of student maltreatment disclosed in Al Sanawbar Private School, whether the maltreatment took place inside or outside of the school, shall be notified to the CPC (Social Worker) or any other member of the SLT.

2.3 The MoE has put in place the National Policy for the Prevention of Bullying in Educational Institutions (n.d.) for handling bullying cases. Therefore, all cases of bullying shall be handled in accordance with the procedures defined in that framework. Exceptions related to bullying cases include severe bullying (cases of bullying that have or risk having a significant physical and emotional impact on the student would be considered as maltreatment), which shall be handled according to the procedures defined in this policy.

2.4 Al Sanawbar Private School shall appoint a Child Protection Coordinator (CPC) and a Child Protection Team (CPT), and these appointments shall be reported to ADEK annually.

1. The CPC shall undergo ADEK-mandated CPC training and shall be a senior member of staff or any other member of staff who has experience working with students at educational risk.
2. The CPT shall undergo any ADEK-mandated training as announced and would typically include 3-5 members consisting of the social worker as well as relevant members of the senior leadership team, any of whom may or may not take on the role of the CPC. The CPC shall be responsible for case management within Al Sanawbar Private School, and a delegate shall be nominated in case the CPC is unavailable/unable to perform their duties.

2.5 If any staff of Al Sanawbar Private School, including volunteers, receives an allegation or has a concern that a student may have been maltreated, is being maltreated, or is at risk of maltreatment as defined in the Definitions (Types of Maltreatment) section, they shall report the matter to the CPC, or any other person representing him/her or any other member of the CPT immediately. This includes concerns of maltreatment taking place inside or outside of the school's premises.

2.6 In case the reporter is unable to reach the CPC, or any other person representing him/her, or other members of the CPT, or it is not in the best interest of the student to inform the CPC or the team, then they should inform the CPU at ADEK and/or the FCA directly by filling out the Safety Concern Form online on the digital safety concern portal.

2.7 Emergency cases, where the student is in imminent danger, shall be reported without delay by the CPC to the Police (999) and the Principal, with a copy of the Safety Concern Form online on the digital safety concern portal.

2.8 Emergency cases are detailed in the guide on Handling Student Maltreatment Concerns within Educational Institutions (ECA, 2024).

**How should maltreatment concerns identified in Al Sanawbar Private School be handled?**

Below are the procedures for identifying and reporting student maltreatment concerns:

Once a concern of student maltreatment (incl. severe bullying) is raised in Al Sanawbar Private School, this should be reported directly to the CPC, or any other person representing

him/her (all staff in Al Sanawbar Private School shall be trained on identifying maltreatment – in line with the operational definitions of the different types of maltreatment included in this document).

Emergency concerns, where the student is in imminent danger, should be reported immediately to the Police and the Principal (see Sections 2.7 and 2.8).

For maltreatment concerns which occurred outside of the supervision of the school, the CPC, or any other person representing him/her if the CPC is not present, shall then fill the Safety Concern Form online on the digital safety concern portal.

The Safety Concern Form will automatically be shared with the ADEK CPU, the FCA and the MoI CPC. FCA will review the case and follow the required procedures for case management.

Maltreatment concerns which occurred under supervision of Al Sanawbar Private School, the staff shall inform the CPC or any other person representing him/her if the CPC is not present. The CPC shall then complete the Safety Concern Form on the digital safety concern portal. Once submitted, a copy of the Safety Concern Form will then be automatically shared with the FCA, the ADEK CPU and the MoI CPC. The ADEK CPU will review the information first before referring to the FCA for case management, who will take the necessary procedures for follow-up on the cases after receiving the report.

It is important to note that the ADEK CPU reserves the right to conduct or to designate qualified institutional personnel to conduct the initial safety and risk assessment before reporting the concern to the FCA.

If the ADEK CPU refers the concern to the FCA, the concern would then be managed by the CPS at the FCA. The ADEK CPU should still provide administrative support (e.g., sharing relevant information) to enable the FCA to conduct the needed assessments and other activities related to case management.

If the ADEK CPU does not report the case to the FCA, the concern is returned to Al Sanawbar Private School with the justification, and the school is asked to collect additional information before submitting another Safety Concern Form.

In all situations, the ADEK CPU would ensure that the concern gets logged and responded to.

**Figure 1. Safety Concern Referrals in Abu Dhabi Educational Institutions** summarizes how maltreatment concerns should be handled in cases where the alleged maltreatment

occurred both inside and outside of the supervision of the school.
